# Inventory Report App User Guide

---

- App Version: 1.0
- Our Support Email: [support@webecommercepros.com](mailto:support@webecommercepros.com)

Thank you for using the Inventory Report BigCommerce App. If you have any queries with this App, please feel free to contact us: [support@webecommercepros.com](mailto:support@webecommercepros.com)

Below you will find the detailed documentation:

## Step 1: App Installation

---

To install the Inventory Report app all you have to do is go to the [BigCommerce App Store](#).

## Step 2: How to Use

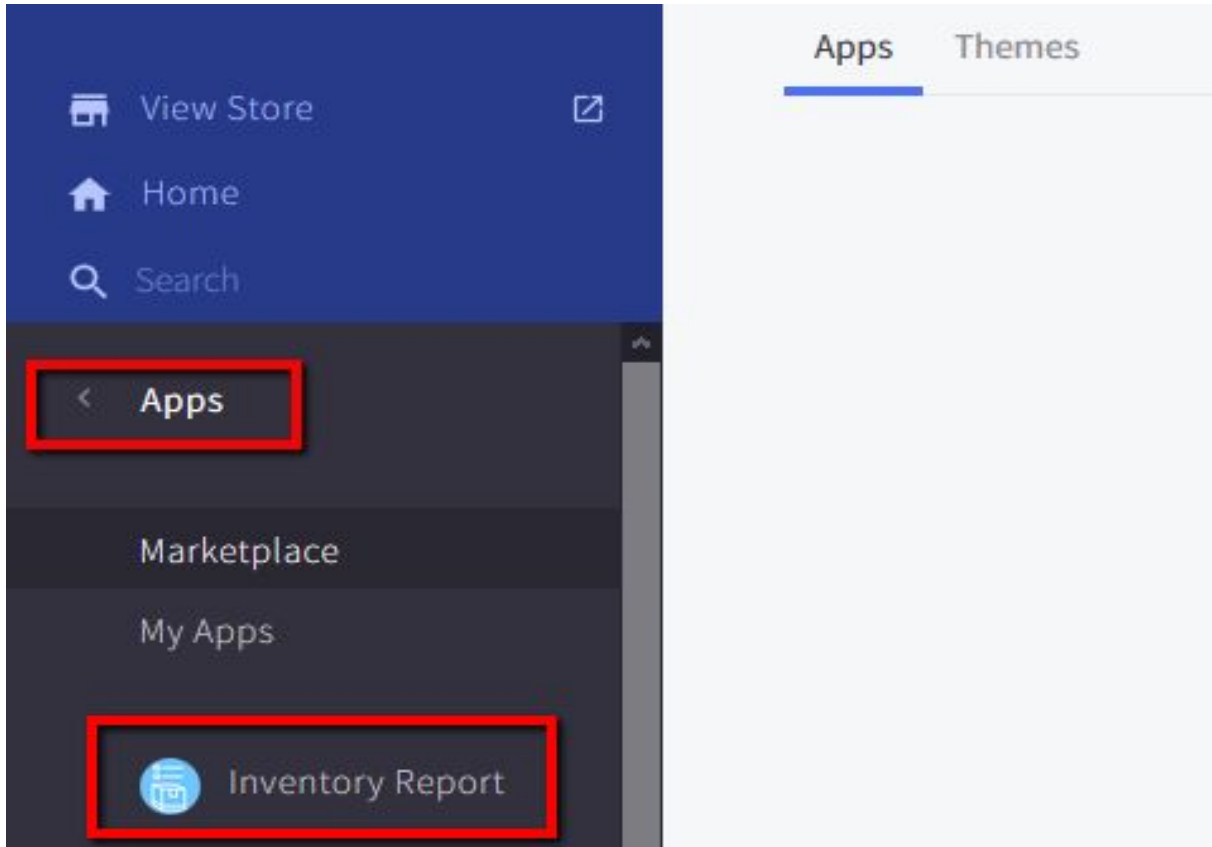

---

In the Inventory Report, the total number of products on the store are displayed. The products of the store are displayed. The user can also view the product details and also SKU based stock inventory. The user can also download all product inventory on the store and their variant level stock. There is an option to request a feature for any innovation. If you find any issue please contact us at support email.

## Step 3: How to Use Examples

---

- Go to Apps > Inventory Report

- Products inventory page view:

Total Products on Store: **199** [Download](#) [Request a Feature](#) [Contact Support](#)

Search:
